### **3)Important notes regarding the plan**

1. **Hydration:** Fluids are really important, especially in current scenario. Ensure intake of 3-4 liters of water throughout the day.
2. **Stick to the plan:** Stick to the plan and try to follow day by day. Under unavoidable conditions only, you can repeat or swap the food items. Stick to the portion size given.
3. **Avoid -** Processed and packaged food items, packaged masala.
4. **Meal Timings:** Try to maintain the timing of meal according to your routine, make sure there is 2-3 hours of gap before sleep.
5. **Activity Level:** Try to be active throughout the day, and follow yoga or exercise according to your body type, or try to cover 10K steps in a day.
6. **Oils for Cooking -** Try to use varieties of oil according to the cuisine, but prefer cold pressed or extra virgin oil, or use cow's ghee(homemade). Avoid refined oil. Per day allowance is **20-25ml/day (4-5 tsp/day)**
7. **Intolerances -** If lactose intolerant - use soy / oat / coconut / almond milk. If gluten intolerance avoid wheat, barley, rye and its products. Use other millets like bajra, Jowar, ragi (Nachna), quinoa, oats etc.
8. **Mental Wellbeing -**Take care of your mental health.

### **4)How to take steam ?**

1. Heat up the water to boiling state.
2. Carefully pour the hot water into the bowl.
3. Drape the towel over the back of your head.
4. Turn on a timer.
5. Shut your eyes and slowly lower your head toward the hot water until you're about 5 to 10 inches away from the water. Be extremely careful to avoid making direct contact with the water.
6. Inhale slowly and deeply through your nose for at least two to five minutes. (don't do fast breathing)
7. Don't take steam longer than 2 to 5 minutes in 1 session. If you want to take steam for 10-15 minutes, ensure that you do it in intervals
